Application for migration to Australia by a child

Form

Life in Australia – Australian values

The Australian Government encourages people to gain an understanding of Australia, its people and their way of life, before applying for a visa to live in Australia.

This includes understanding that the English language, as the national language, is an important unifying element of Australian society. Australian society is also united through the following shared values:

- respect for the freedom and dignity of the individual;
- freedom of religion;
- commitment to the rule of law;
- Parliamentary democracy;
- equality of men and women;
- a spirit of egalitarianism that embraces mutual respect, tolerance, fair play and compassion for those in need and pursuit of the public good;
- equality of opportunity for individuals, regardless of their race, religion or ethnic background.

The *Life in Australia* booklet provides more information on the values that Australians share and their way of life. This booklet is available in a wide range of languages. If the applicant has not already received a copy of the booklet then it can be obtained from www.immi.gov.au

Each applicant 18 years or age or over, who is included in this form, must have read the *Life in Australia* booklet before completing this application form. If they have difficulty, or are unable to read the booklet, they may have the content of it explained to them, for example, by a friend or relative. This form contains a statement, that they must sign, that confirms they understand and will respect the values of Australian society (as explained in the booklet) and will obey the laws of Australia. This includes acknowledging what would be required if they later applied for Australian citizenship.

About this form

Important – Please read the detailed requirements in booklet 2, *Child Migration*, before completing this form. Also read the following information carefully. Once the application is completed we strongly advise that the applicant keep a copy for their records.

Note: If the child is applying from outside Australia, he/she will be applying to migrate. If the child is applying in Australia, he/she will be applying for permanent residence. In this form the term 'migrate' covers both. Siblings must **each** lodge an application form and a sponsorship form, however, only one Visa Application Charge is payable for siblings who apply at the same time and same place.

Integrity of application

The Department of Immigration and Citizenship (the department) is committed to maintaining the integrity of the visa and citizenship programs. If you, a member of your family unit included in your application or a third party acting on your behalf, provide (or have provided in a previous application) false or misleading information or bogus documents either knowingly or otherwise, your visa application may be refused. You may also be subject to a 3 year exclusion period in relation to visas to which the fraud criterion applies. Any visa granted may be cancelled.

Before lodging the application

Make sure the **required documents** are attached to the application.

Make sure all instructions relevant to the visa for which the child is applying have been followed. Refer to booklet 2, *Child Migration*.

The child's sponsor should complete form 40CH *Sponsorship for a child to migrate to Australia*. Both forms (47CH and 40CH) should be lodged together.

Making a valid application

To lodge a valid application:

- this form must be used – it is available from the department's website www.immi.gov.au/allforms/ or from any office of the department in Australia or Australian mission overseas;
- indicate the correct visa class (Child, Adoption or Orphan Relative) at Part A of this form. If the child is supported by an Australian state or territory welfare authority, this should also be indicated at Part A.
Note: Australian state or territory welfare authority supported child refers only to children in the permanent or long-term care of an Australian state or territory government welfare authority. It does not relate to any other type of support.
- provide the address where the applicant intends to live while the application is being dealt with. Failure to give a residential address will result in the application being invalid.
Note: A post office box address will not be accepted as an applicant's residential address;
- pay the required Visa Application Charge;
- attach any documentation that is required to be provided with this application; and
- send or deliver this application to the nearest office of the department if applying in Australia, or Australian mission if applying outside Australia.

In addition, if you are in Australia, have had a visa refused or cancelled and do not hold a substantive visa, to make a valid application you must:

- be under 25 years of age unless claiming to be incapacitated for work due to disability; and
- provide an approved form 40CH *Sponsorship for a child to migrate to Australia* that has been completed and signed by an Australian citizen, Australian permanent resident or eligible New Zealand citizen who claims to be the parent of the applicant.

The applicant must ensure that:

- the form is completed in English;
- all questions are answered truthfully; and
- supporting documents are provided where necessary.

If incorrect information or documents are provided, this may affect whether or not a visa is granted, or whether or not the visa might subsequently be cancelled.

Read the notes on each question. If a question is not applicable, write 'N/A'. Any changes or corrections made to the form must be initialled and dated by each person who signs the form. If Part H of this form is used or additional sheets of paper are attached, ensure each page is signed and dated by all persons who sign the form.

Charges

Fees may be subject to adjustment at any time. Visa Application Charges may be subject to adjustment on 1 July each year. This may increase the cost of a visa.

To check the Visa Application Charge, see form 990i *Charges* available from the department's website www.immi.gov.au/allforms/pdf/990i.pdf or check with the nearest office of the department.

Method of payment

In Australia

To make a payment, please pay by credit card, debit card, bank cheque or money order made payable to the Department of Immigration and Citizenship. Debit card and credit card are the preferred methods of payment.

Outside Australia

Before making a payment outside Australia, please check with the Australian Government office where the application is to be lodged as to what methods of payment and currencies they can accept and to whom the payment should be made payable.

Who the form covers

The application form covers the child and, if applicable, any dependants of that child.

'Partner' means your spouse or de facto partner (including same-sex partners).

Parental responsibility (custody) requirement (for a child under 18 years of age)

If another parent or any other person can legally determine where the child can live, permission for the child to migrate to Australia must be obtained from that person. This must be in the form of either a completed form 1229 *Consent to grant an Australian visa to a child under the age of 18 years* or a statutory declaration. Alternatively, the parental responsibility (custody) requirement will be satisfied if the sponsoring parent is in possession of a valid court order in relation to the child which permits them to permanently remove the child from the child's home country; or has a valid Australian child order issued by the Family Court in Australia and the grant of the visa would be consistent with that order.

Dependants

If the child has dependants, contact the department or an Australian mission for advice about including them in the application.

Supporting documents

Documents that must be provided with the application are listed in Part G of this application form. The department may ask for further documentation during the processing of the application. 'Certified copies' of documents mean copies authorised or stamped as being true copies of originals by a person or agency recognised by the law of the child's home country. In Australia, they must be certified by a justice of the peace or commissioner for declarations or by a person before whom a statutory declaration may be made. All documents not in English must be accompanied by a certified English translation of the original. Originals of the documents may be asked for at a later stage. Do not provide originals unless the department specifically asks for them.

Note: Applicants and sponsors are encouraged to use the local websites of Australian overseas missions to check for special local documentation requirements before lodging the child's visa application. Website addresses are located on the department's website www.immi.gov.au/contacts/

Health

All applicants for permanent visas including the main applicant, spouse and any dependants must be assessed against the health requirement. Even if the applicant's spouse and dependants are not included in the visa application, they must still be assessed against the health requirement.

Applicants for a permanent visa will be asked to undergo a medical examination, an x-ray if 11 years of age or over and an HIV test if 15 years of age or over, as well as any additional tests required by the Medical Officer of the Commonwealth (MOC).

Note: Applicants may have already undertaken a health assessment for their visa. However, the department reserves the right to request additional health examinations as part of this visa application process.

About the information given

The department is authorised to collect information provided on this form under Part 2 of the *Migration Act 1958* 'Control of Arrival and Presence of Non-Citizens'. The information provided will be used for assessing eligibility for a visa to travel to, enter and remain in Australia and for other purposes relating to the administration of the Migration Act, for example, to assist migrants with settling in Australia, to monitor the conduct of migration agents, or for ensuring compliance with the Migration Act. The information provided might also be disclosed to agencies who are authorised to receive information relating to adoption, border control, business skills, citizenship, education, health assessment, health insurance, health services, law enforcement, payment of pensions and benefits, taxation, review of decisions and regulation of migration agents.

The *Privacy Act 1988* is the key law designed to safeguard personal information collected by government agencies. The information privacy principles in the Privacy Act must be obeyed by federal government agencies, including the department, when gathering, processing and disclosing information about the applicant.

Please read the information form 993i *Safeguarding your personal information*, which is available from the department's website www.immi.gov.au/allforms/ or from an office of the department, so as to be better informed about the agencies to which personal information might be disclosed.

The department is authorised under the *Migration Act 1958*, in certain circumstances, to collect a range of personal identifiers including a facial image, fingerprints and a signature from non-citizens, including from visa applicants. The department requires personal identifiers to assist in assessing your identity. The department is authorised to disclose your personal identifiers and information relating to your name and other relevant biographical data to a number of agencies including law enforcement and health agencies and to other agencies who may need to check your identity with this department. Where the department obtains personal identifiers they will become part of your official record with the department.

The department is involved in international information exchanges with a number of countries, including the United Kingdom, the United States of America, Canada and New Zealand. These international information exchanges may involve the sharing of personal identifiers, including facial images and fingerprint data, collected by immigration agencies such as this department. If, as a result of this sharing between countries, there is a match with your personal identifiers, the department will disclose your biographical data, copies of travel and other identity documents or information from such documents, your immigration status and immigration history (which may include any immigration abuse and offences) and any criminal history information relevant to immigration purposes. The purpose of such disclosure would be to help confirm your identity and determine if you have presented to the department and the other agency under the same identity and with similar claims.

For more detailed information you should read information form 1243i *Your personal identifying information*, which is available from the department's website www.immi.gov.au/allforms/ or from any office of the department or Australian mission overseas.

Immigration assistance

A person gives immigration assistance to you if he or she uses, or claims to use, his or her knowledge or experience in migration procedure to assist you with your visa application, request for ministerial intervention, cancellation review application, sponsorship or nomination.

In Australia a person may only lawfully give immigration assistance if he or she is a registered migration agent or is exempt from being registered. Only registered migration agents may receive a fee or reward for providing immigration assistance.

If an unregistered person in Australia, who is not exempt from registration, gives you immigration assistance they are committing a criminal offence and may be prosecuted.

Migration agents in Australia

Migration agents in Australia must be registered with the Office of the Migration Agents Registration Authority (Office of the MARA) unless they are exempt from registration.

Migration agents outside Australia

Migration agents who operate outside Australia do not have to be registered. The department may give some overseas agents an ID number. This number does not mean that they are registered.

Note: Some Australian registered migration agents operate overseas.

Migration agent information

A migration agent is someone who can:

- advise you on the visa that may best suit you;
- tell you the documents you need to submit with your application;
- help you fill in the application and submit it; and
- communicate with the department on your behalf.

If you appoint a migration agent, the department will assume that your migration agent will be your authorised recipient, unless you indicate otherwise.

Your migration agent will be the person with whom the department will discuss your application and from whom it will seek further information when required.

You are not required to use a migration agent. However, if you use a migration agent, the department encourages you to use a registered migration agent. Registered agents are bound by the Migration Agents Code of Conduct, which requires them to act professionally in their clients' lawful best interests.

Information on migration agents, including a list of registered migration agents, is available on the Office of the MARA website www.mara.gov.au

You can also access information about migration agents on the department's website www.immi.gov.au

Exempt persons

The following people do not have to be a registered migration agent in order to provide immigration assistance, but they must not charge a fee for their service:

- a close family member (spouse, de facto partner, child, parent, brother or sister);
- a member of parliament or their staff;
- an official whose duties include providing immigration assistance (eg. a Legal Aid provider, an Australian state or territory government welfare authority, etc);
- a member of a diplomatic mission, consular post or international organisation.

Appointing a migration agent/exempt person

To appoint a migration agent/exempt person you should complete Part J *Options for receiving written communications*.

Your migration agent/exempt person should complete form 956 *Advice by a migration agent/exempt person of providing immigration assistance*.

Form 956 is available from the department's website www.immi.gov.au/allforms/

Options for receiving written communications

If you do not appoint a migration agent/exempt person you may still authorise another person, in writing, to receive written communications on your behalf. This person is called the authorised recipient.

Authorised recipient information

All written communication about your application will be sent to your authorised recipient, unless you indicate that you wish to have health and/or character information sent directly to you.

The department will communicate with the most recently appointed authorised recipient as you may only appoint one authorised recipient at any time for a particular application.

You will be taken to have received any documents sent to that person as if they had been sent to you.

To appoint an authorised recipient you should complete:

- Part J *Options for receiving written communications*; and
- form 956A *Appointment or withdrawal of an authorised recipient*.

Note: Migration agents/exempt persons do not need to complete form 956A.

Form 956A is available from the department's website www.immi.gov.au/allforms/

For those applicants who are applying on the basis of an **inter-country adoption through a state or territory adoption authority**, please provide the adoption authority's details at Question 50 and they will be authorised to receive information about this application.

For those applicants who are applying on the basis of being a child supported by an **Australian state or territory government welfare authority (or their authorised agent) supported child**, please provide that authority's, or their authorised agent's, details where requested at Question 2. They will be authorised to receive information about this application.

Consent to communicate electronically

The department may use a range of means to communicate with you. However, electronic means such as fax or e-mail will only be used if you indicate your agreement to receiving communication in this way.

To process your application the department may need to communicate with you about sensitive information, for example, health, police checks, financial viability and personal relationships. Electronic communications, unless adequately encrypted, are not secure and may be viewed by others or interfered with.

If you agree to the department communicating with you by electronic means, the details you provide will only be used by the department for the purpose for which you have provided them, unless there is a legal obligation or necessity to use them for another purpose, or you have consented to use for another purpose. They will not be added to any mailing list.

The Australian Government accepts no responsibility for the security or integrity of any information sent to the department over the internet or by other electronic means.

If you authorise another person to receive documents on your behalf and they wish to be contacted electronically, their signature is required on form 956 or 956A to indicate their consent to this form of communication.

Note: Electronic communication is the fastest means of communication available and the department prefers to communicate electronically because this results in faster processing.
